

### Limited Warranty

Safety Direct warrants for one year from the purchase date and only to the original buyer that our products are free from defects in material and workmanship. If the buyer discovers a covered defect, buyer should return the product to Safety Direct at the address set forth below. Safety Direct reserves the option to repair or replace any product returned under warranty. That is the extent of our liability under this warranty and upon expiration of the applicable warranty period, all such liability shall terminate.

### Warranty Exclusions

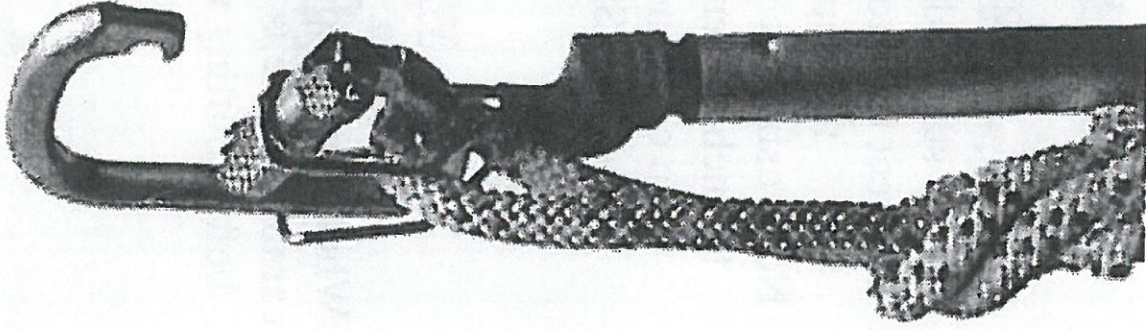

Safety Direct does not warrant products against normal wear and tear, unauthorized modification or alteration, improper maintenance, accident, misuse, negligence, damage or if the product is used for a purpose for which it was not designed. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state. Except as expressly stated in this warranty, Safety Direct is not and shall not be liable for direct, indirect, incidental or other types of damages arising out of or resulting from the use of this product.

### Warning

Any person purchasing this equipment assumes the responsibility for seeking proper training in its use and also assumes all risks for any injury or damage sustained while using and of this equipment. This equipment is not to be used for any other purpose other than what is was intended for. Failure to follow these warnings increases the risk of injury and death.
